Product Uses 3M™ Perfect-It™ Boat Wax is 3M's best wax solution to provide a brilliant gloss and durable protection from the elements. It is formulated with carnauba wax, and is safe for Gelcoat, Paint, Fiberglass, and Metal.

Directions for Use: Shake well. Clean boat with 3M™ Perfect-It™ Boat Wash (PN 09034/09035).

Directions for Use by Hand:

1. Apply enough material to work a 2' x 2' area. Apply product with a clean dry microfiber detailing cloth.
2. Rub thoroughly onto the surface of the boat. Do not allow wax to haze.
3. Wipe off excess wax with a new clean dry microfiber detailing cloth.

Directions for Use by Machine:

1. Apply enough material to work a 2' x 2' area. Spread the material with the buffing pad to reduce slinging.
2. Using light pressure, evenly apply wax to the surface of the boat using a 50% overlap. Do not allow wax to haze.
3. Wipe off excess wax with a clean dry microfiber detailing cloth.

Note:

- Do not use in direct sunlight or apply to a warm surface.
- Do not use on vinyl or rubber areas.
- Do not dilute.
- Follow gelcoat manufacturer recommendation for application and curing. Age and condition of gelcoat will affect finishing methods.

Storage and Handling Keep from freezing.

Precautionary Information Before using this product, please reference Product Label and/or Safety Data Sheet for Health and Safety Information. Note: Laws controlling the acceptable amounts of Volatile Organic Compounds (VOC's) vary by state, and in some cases by locality. For surface preparation and clean-up activities, consult federal, state and local regulations regarding use of products containing VOCs in your area.

Technical Information The technical information, recommendations and other statements contained in this document are based upon tests or experience that 3M believes are reliable, but the accuracy or completeness of such information is not guaranteed.

Product Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

Warranty, Limited Remedy, and Disclaimer

Unless an additional warranty is specifically stated on the applicable 3M product packaging or product literature, 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE.

If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability

Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
